

VARSITY TEAM POSTER SPONSORSHIP PROGRAM

Get funding from Sports Boosters for your Varsity Team Poster by following these simple steps:

1. Include the Greeley Sports Boosters logo as part of your poster. Request the logo file from Greeley Sports Boosters.
2. The Greeley Sports Boosters logo MUST be the ONLY logo you use.
3. Submit a Greeley Sports Boosters Reimbursement Form along with either a sample of your team poster, or a photo of your team poster showing that the Boosters logo is the sole logo/poster sponsor.
4. Upon receipt of the items in #3 above, Greeley Sports Boosters will reimburse your team for the cost of producing your poster. The maximum amount to be reimbursed is \$200. For example, if your total cost is \$180, Sports Boosters will reimburse the full amount of \$180. If your total cost is \$300, Sports Boosters will reimburse \$200 and your team will cover the remaining \$100.

The approximate cost of printing 50 color posters, sized 13x19, is \$200.

Prices will vary based on your team's poster design and selected vendor.

Many teams have used Minuteman Press for producing their posters.

MONEY-SAVING TIP: Submit your player photos to the vendor electronically, labeled with first and last name. This helps reduce graphic design hourly fees.
