

SENIOR DAY RECOGNITION & PROMOTION

Senior Day celebrations vary by team and for those who are planning Senior Day events, below are some useful pointers and resources. Be sure to inform your coach and the Athletic Department of your plans to avoid any conflicts.

PUBLICIZING YOUR TEAM'S SENIOR DAY

- Be sure to include your Senior Day Game details in the weekly Boosters Blast prior to your Senior Day Event to get the word out.
- Highlight your team's senior players towards the end of the season - this is always appreciated and a nice way to wish them the best of luck.
- Announce your team's Senior Day event on Sports Boosters Social Media outlets: Facebook, Twitter and Instagram. Contact webmaster@greeleysportsboosters.org for access.
- Have your coach tweet out details ahead of time on your team's Twitter.
- Ask our Athletic Department to tweet it out on the Greeley Athletics Twitter.
- Ask Matt Friedler, HGHS Coordinator for Student Life, to announce it to all Greeley students via Canvas: MaFriedler@ccsd.ws
- Contact the town Youth Organization for your sport and ask them to email the details to their families so our young athletes can fill the stands.

RESOURCES

- **Congratulations Senior Athletes Banner:** Greeley Sports Boosters has purchased two festive banners for shared use by all Greeley teams at their Senior Day events. You may check out a banner from the Athletics Office. Please return promptly and handle with care so the next team can use one as well.
- **Source for Decorations:** Many teams produce individual senior player banners, "fan faces", signs, etc. and have found the resources at ShinDigz useful. Here is the link: <https://www.shindigz.com/senior-night-supplies/c/520>
- **Announcers, singers, photographers:** Have the team players reach out to their friends and connect with Matt Friedler, HGHS Coordinator for Student Life and Jason Semo, Athletic Director, to help try and find students to fill special Senior Day game roles. MaFriedler@ccsd.ws and JaSemo@ccsd.ws
